

Tudor Grange Samworth Academy Community Cohesion Policy

1. Rationale

- 1.1 At Tudor Grange Samworth Academy we passionately believe that it is the duty of all schools to address issues of 'how we live together' and dealing with difference' however controversial and difficult they might sometimes seem. (The Diversity and Citizenship Curriculum Review, February 2007)
- 1.2 There is a duty for schools to promote community cohesion under the Education and Inspections Act 2006. Community cohesion lies at the heart of what makes a strong and safe community. It must be delivered locally through creating strong networks, based on principles of trust, and respect for local diversity, and nurturing a sense of belonging and confidence in local people. Effectively delivering community cohesion also tackles the fractures in society which may lead to conflict and ensures that the gains that communities bring are a source of strength to local areas.

2. Or Vision

- 2.1 Our vision recognises and celebrates the diversity within our catchment area and welcomes the contributions which different groups and individuals make to the community. Differences between groups of people can cause misunderstanding and friction. A key commitment of Tudor Grange Samworth Academy is to build and promote community cohesion within the school and wider community. Community cohesion incorporates and goes beyond the concept of race equality and social inclusion. A cohesive community is one where:
- there is a common vision and a sense of belonging for all communities
 - the diversity of people's different backgrounds and circumstances are appreciated and positively valued
 - those from different backgrounds have similar life opportunities
 - strong and positive relationships are being developed between people from different backgrounds in the workplace, in schools and within neighbourhoods.
- 2.2 Tudor Grange Samworth Academy is a Church school open to children of all faith and none. We, acknowledging that the society within which we live is enriched by diversity. We strive to ensure that the culture and ethos of the school reflects the diversity of all members of the school community, where everyone is equally valued and treats one another with care, kindness, respect and fairness. Pupils are provided with the opportunity to experience, understand and celebrate diversity. We will work with Governors, staff, pupils, parents/carers and the wider community towards eliminating all discrimination, on the grounds of race, gender, gender reassignment, disability, sexuality (including sexual orientation), age, religion and belief. We believe that all pupils, employees, stakeholders and members of our local and global community should be treated with dignity and respect at all times and we will not tolerate bullying, harassment or victimisation of any groups or individuals.

3. Our Values

- 3.1 Diversity is a strength; having many different groups, cultures, and faiths in our society makes us stronger. We should all work for greater respect and equality of opportunity between different groups, cultures, faiths and ages in our society. The different groups, cultures, faiths and ages in our society will benefit from meeting each other, listening to one another, and getting to understand each other more. We must all work to overcome disadvantage as it is a major barrier between communities, especially where it is experienced more by one group than another. Racism and prejudice undermine community cohesion and must be confronted.
- 3.2 Partnerships with parents, Governors and the wider community are essential to promote equality,

diversity and community cohesion. The health, well-being and cohesion of our local community are important to us.

- 3.3 By valuing and championing diversity, we lead the way in good practice and set an example for others to join us. That is why we have developed this policy to ensure that we create an environment where everyone is respected and treated equally.

4. Aims & Objectives

4.1 Our Community Cohesion Policy will be reviewed on an annual basis.

- We will work with stakeholders to identify key developments and joint projects to ensure effective community cohesion is core to all the work of The Academy and thus support the development and regeneration of the wider community.
- We will ensure that through our partnership work we develop links and work alongside other schools and organizations from the local community, from the wider community and internationally to ensure children and young people have the opportunity to experience diverse cultural experience at first hand.
- The Governing Body will take positive steps to promote good community relations.
- We will work towards challenging any forms of prejudice towards groups and individuals.
- All teachers will be trained in promoting community cohesion through a diverse curriculum.
- We will assess the impact of our community cohesion programme to determine adverse or differential impact on groups or individuals.

5. How we are going to achieve this?

There are three distinct areas where our practice can contribute to Community Cohesion.

5.1 Teaching, Learning and the Curriculum

Promoting community cohesion through teaching, learning and the curriculum is clearly at the heart of the Academy's duty. The Guidance describes this as "helping children and young people to learn to understand others, to value diversity whilst also promoting shared values, to promote awareness of human rights and to apply and defend them, and to develop the skills of participation and responsible action" Many subjects, including Citizenship, RE, History and Geography have direct relevance to promoting community cohesion.

5.2 Ethos of the School:

- Anti-bullying Policy
- Equal Opportunities Policy
- Inclusion Policy

5.6 **Equity and Excellence**

We will strive to ensure that all pupils achieve their potential, irrespective of ethnic, socio-economic or other differences. This is already a clear focus for our school and is another important aspect of promoting community cohesion. We are committed to narrowing, and ultimately closing, the gap between the progress and attainment of children from different backgrounds and their peers.

Engagement & Extended Services

There are very strong link between developing Community Cohesion, and Children and Young People's Plan particularly in the areas of parental involvement and safeguarding children. Children from deprived neighbourhoods, looked after children, disabled children, migrant children and unaccompanied asylum seeking children are more vulnerable to harm than others. Through the work of the Extended Services programme we will:

Support parents by:

- Providing an informal coffee morning every day during term time, with access to a Family Advice Worker;
- Employing Family Advice Workers to ensure swift and easy access to external services, support and advice on effective parenting and community impact through Strengthening Families, Strengthening Communities, Living with Teenagers, Grounded and other support programmes.
- Having a dedicated extended services team responsible for safeguarding and child protection matters, who work with parents to write Common Assessment Framework(CAF) Forms; attend Child Protection Plan and Core Group Meetings.
- Ensuring the needs of children with SEN or 'Looked After Children' are always championed through the SENCO;
- Providing a 'safe place to be' for children during and after the school day and during the

holidays;

- Providing a crèche provision to support adult learning held at the Academy.

Ensure the building and resources are available for use by the whole community by:

- developing a lettings policy and opening hours which allow access by other community groups offering activities for our school community and the wider community at 'free' or reduced cost i.e. Southfields JUDO; St Christopher's Scout Group etc.
- Opening all our after school and holiday activities to children and young people from the Saffron, Eyres Monsell, Aylestone & Knighton Areas via or 'Leicester Children's University' status free of charge;
- Having a member of staff on the Neighbourhood Advisory Board, Pre School Learning Alliance, Police Joint Action Group.
- Allowing community meetings/training to take place in the Academy at 'Free' or reduced cost i.e. Police Joint Action Group.
- Encourage external services to use the facilities as a base for their statutory activities i.e. Catch 22, Saffron Young People's Project (SYPP), Healthy Lifestyles, Leicester College, Leicester Adult Skills & Learning etc, police and fire service.

Ensure that children, young people and adults from the Academy and the wider community have access to 'lifelong learning' by:

- Providing in consultation with children & young people and in partnership with other service providers a wide variety of after school and holiday activities, for all children and young people from the LE2 postcode area
- Providing in partnership with FE colleges and other adult learning organisations a programme of learning opportunities to enable parents and the wider community to gain L1 & 2 qualification in literacy & numeracy, ICT.
- Offering a variety of work placement/ volunteering opportunities i.e. classroom assistants, reading buddies, kitchen & cleaning opportunities.
- Developing a volunteering programme for adults to work in school.

Further developing partnerships and links with:

- Local schools, community, voluntary & statutory organisations;
- The Mango Tree Charity to develop and establish an International School Link to support our achievement of Full International School Status;
- Crown Hills Community College as part of the School Linking Project;
- Ecole de Geneve to develop joint CPD opportunities and share good practice;
- Uppingham School to support Y4 transition, the Right to Read Project and raise pupils aspirations through joint projects;
- St Christopher's Church
- Welford Road Police to ensure co location project is embedded
