

Specific Consent for Children to Appear in Photographs or in Videos

Occasionally, our school is visited by the media who will take photographs or film footage of a high profile event, or to celebrate a particular achievement. Pupils will often appear in these images, which may appear in local or national newspapers or on televised news programmes. One such event is to take place and I am writing to inform you of this and ask permission for your child's involvement.

It is important we protect your child's interests, respect your wishes and comply with Data Protection law. Please read the Conditions of Use below before completing and signing and dating the form below. Please return the completed form (one for each child) to school as soon as possible; we will not allow your child to be involved with the media coverage without your consent.

Conditions of Use:

- This form is valid for the duration of the event. Your consent will automatically expire after this time.
- The school will not re-use any photographs or recordings of your child that are incompatible with the original purposes explained to you.
- We may use group or class photographs or footage with very general labels, such as 'a science lesson'.
- We will ensure only photographs and videos of pupils who are suitably dressed are used.
- Parents should note that websites can be viewed throughout the world and not just in the United Kingdom, where UK law applies.
- Please note: If you give permission for your child's image to be used by the media then you should be aware that:
 - The media will want to use any printed or broadcast media pictures that they take alongside the relevant story
 - It is likely that they will wish to publish the child's name, age and the school name in the caption for the picture (possible exceptions to this are large group or team photographs)
 - It is possible that the newspaper will re-publish the story on their website, or distribute it more widely to other newspapers.

Further information on how we use your information and your child's personal information is in the Privacy notice parents / carers, found here
