1. Aims

Tudor Grange Academies Trust (TGAT) aims to;

- Run a NQT induction programme that meets all the statutory requirements
- Provide NQTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Ensure all staff understand their role in the induction programme

2. Legislation and statutory guidance

This policy is based on the Department for Education's statutory guidance Induction for Newly Qualified Teachers (England) and The Education (Induction Arrangements for School Teachers) (England) Regulations 2012. The 'relevant standards' referred to below are the Teachers' Standards. This policy complies with our funding agreement and articles of association. TGAT will comply with any guidance or modifications issued by the 'Department of Education in response to incidents such as Covid-19.

3. The Induction Process

For a full-time NQT, the induction programme will typically last for a single academic year. Part-time NQTs will serve a full-time equivalent. Each School within the Trust will liaise with an 'appropriate body' to ensure the program is quality assured.

3.1 Post Details

All NQTs employed by the Trust will:

- Be provided with the necessary employment tasks, experience and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed induction tutor, who will have qualified teacher status (QTS)
- Have a reduced timetable to allow them to undertake activities in their induction programme, with no more than 90% of the timetable of our existing teachers on the main range within each individual academy.
- Regularly teach the same class or classes
- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional responsibilities without appropriate preparation and support
- Not have unreasonable demands made upon them
- Not normally teach outside the age range and/or subjects they have been employed to teach
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis

3.2 Support for NQTs

All NQTs Employed by the Trust will be supported with:

- Their designated induction mentor, who will provide day-to-day monitoring and support, and co-ordinate their assessments
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback
- Regular professional reviews of their progress, to take place on a monthly basis, at which we will review their objectives and revise them in relation to the relevant standards and their current needs and strengths
- Chances to observe experienced teachers, either within the school or at another school with effective practice

3.3 Assessment of NQT performance

Formal assessment meetings will take on a termly basis, carried out by the Principal.

These meetings will be informed by clear and transparent evidence gathered during the preceding assessment period and drawn from the NQT's work as a teacher and from their induction programme. Copies of the evidence relied on will be provided to the NQT and the appropriate body.

After these meetings, formal assessment reports will be completed that clearly show how the NQT is performing against the relevant standards.

At the end of the programme, NQTs will take part in a final formal assessment meeting. The outcomes of this meeting will be used by the Principal to decide whether the NQT's performance is satisfactory against the relevant standards. The decision will be written up in a final assessment form.

The NQT can add their own comments to this final form.

The form will then be sent to the appropriate body, who will make the final decision on whether the NQT has passed their induction period.

3.4 Concerns Procedures

If it becomes clear the NQT is not making sufficient progress, additional monitoring and support measures must be put in place immediately, meaning:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the NQT towards satisfactory performance
- An effective support programme is put in place to help the NQT improve their performance

If there are still concerns about the NQT's progress at their next formal assessment, so long as it is not the final assessment, the Principal will discuss this with the NQT, updating objectives as necessary and giving details of the improvement plan for the next assessment period. The Principal or mentor should advise the appropriate body of the concerns and the NQT should be advised to contact their union for support.

4. Roles and Responsibilities
